

LightTech

Passive Components

Features

- Fused fiber and micro-optics technology
- Wide range of products
- High performance
- High reliability

Available products

- Couplers 1x2, 2x2, NxM tree/star
- Fused and Micro-optics WDM
- Polarization Maintaining Beam Combiners
- Polarization Insensitive Fiber Isolators
- Polarization Insensitive Circulators
- Hybrids
 - *WDM/Isolator*
 - *Tap coupler/Isolator*
 - *Band Pass filter/Isolator*
 - *WDM/Tap coupler/Isolator*
 - *etc.*
- Interleaver
- Optical Add/Drop Multiplexer
- 4-16 channel Dense WDM
- Electrical variable Optical Attenuator
